

Maurice Bretzfield

See Amazing Returns From Your Investment In Digital Marketing

Maurice Bretzfield is a Digital Marketing Solutionist and the co-founder of **digiquation™**, a unique consulting firm that architects, helps develop and then teaches and coaches organizations how to use them on a fee for services basis.

Maurice is a consultant, speaker and the author of the soon to be released "Digiquation and The Four Moments of Truth which will be published in the Spring of 2014.

Maurice will inspire your audience to develop Digital Marketing skills with faster and better results and with less frustration.

These are essential skills that every organization must learn, adopt and bring in-house to create your own digital assets and engage customers when and where online they are looking for your products and services. ROI is the bottom line.

A Great Solution Increases in Value Over Time

* Keynotes * Breakout Sessions *
* Workshops * Classes *

Maurice inspires your audience to develop and achieve Digital Marketing results faster and better through his unique perspective on creating Digital Inbound Marketing systems that engage customers and show superior ROI.
